

Dear Parents,

I am delighted to be back at AEA working with your children. We have a fun year ahead, finding out about The Elements of Art, Artist Studies and exploring new materials and techniques.

We will once again be posting all of our art projects on Artsonia, which not only lets us share the Artwork with friends and relatives far away, but also offers us a wonderful way to earn funds for the art program through customized keepsakes. I am happy to announce that with last year's funds earned I was able to purchase art materials which will be used with all of the children in conjunction with the art program.

If you signed the permission slip and created the account for your child last year you will still be able to access that with the same screen name as last year. If you are new to the school or did not get a chance to sign up last year your child will be bringing home a permission slip in their folder which needs to be signed and returned to school (please write your email address clearly so I can enter it into the system) after which you will receive an email from Artsonia.com inviting you to create an account for your child if you wish.

Artsonia is a great way for your child to share their artwork with you and others. Your child can write an artist's statement about their artwork, comment on friend's artwork, upload their own artwork from home and even create their own fanclub. For more information visit Artsonia.com or you can email me with any questions at nstewartpc@yahoo.com

Respectfully
Mrs Stewart
